West Region Update

Dear Chief Executive Officer:

On September 1, 2007 I will begin serving as the Regional Director for the West Region and Michael Finn will assume his new responsibilities as Regional Director of the Northeast Region. I look forward to continuing the close working relationship that I have enjoyed with many of you and to developing such a relationship with those whom I did not work with as closely in my Regional Deputy Director position.

In that regard, I hope to see all of you at one of the upcoming Town Meetings. We have had to change the dates for the Seattle and Daly City meetings to accommodate schedules and I hope that the new dates will still work for those who signed up for these sessions. The Seattle Town Meeting will now be on September 18, 2007 at 9:30 AM in the Seattle OTS office. The Daly City Town Meeting was changed to November 14, 2007 instead of December 6, 2007. A copy of the original Town Meeting notice and corrected schedule is attached for your reference.

I do not foresee any significant changes in this office's general philosophy or approach in supervising your financial institution. As you know, the West Region has a very talented staff and we will continue to focus on our regulatory mission, attaining increased efficiency, and maintaining an open dialogue with you. I believe strongly in having open and ongoing discussions so that we and you benefit from knowing about any regulatory changes and how the challenges and competitive pressures facing the industry are being met.

Please feel free to call me at (206) 829-2601 in Seattle or (650) 746-7010 after September 1, 2007. My e-mail address is darrel.dochow@ots.treas.gov.

Very truly yours,

Darrel W. Dochow
Regional Director
