

Transmittal

June 14, 1996

Number: 148

The attached final rule makes a technical correction to the Community Reinvestment Act regulations published on May 4, 1995, and amended on December 20, 1995. The new rule makes no substantive change in the requirements of current CRA regulations.

The technical correction is necessary because the CRA regulations refer to the Small Business Administration's size limitations for Development Company and Small Business Investment Company programs. The SBA amended its regulations on January 31, 1996.

The CRA technical correction includes a reference both to the SBA programs by name and to the SBA's regulation by section (13 CFR 121.301(b) and (c)).

The technical correction has been published jointly by the Office of Thrift Supervision, the Office of the Comptroller of the Currency, the Board of Governors of the Federal Reserve System, and the Federal Deposit Insurance Corporation.

The final rule was published in the May 10, 1996, edition of the *Federal Register*, Vol. 61, No. 92, pp. 21362—21364.
